Dedication

Mr. Larry Moore

Mr. Moore participates in many extracurricular activities.

The Jacksonian Staff would like to take this opportunity to express our appreciation to one of you faculty members.

We believe you have shown the qualities of a real teacher. You are always there to give your time and energy to help any student. You believe in hard work and most of all you can be a friend as well as a teacher. Through your unselfishness, you have touched the lives of many students at our school.

More than once have pupils left your room with the sound of "nay, nay" still ringing in their ears. Therefore it is with great pride that the 1974 Jacksonian be dedicated to you, Mr. Larry Moore.

Final Copy!

The Jacksonian staff has worked hard and long this year to make this a yearbook you will be proud of now and in the years to come. If you are pleased, it will have been worth every effort we made. There are many individuals who contributed time, money, and equipment to the preparation of this yearbook and we are greatly indebted to them.
